

Committed To Your Vision and Your Success!

CAROLYN DICKINSON

Professional Speaker | Trainer | Global Executive Coach | Author

Overcoming a learning disability, Carolyn earned a psychology degree, an early childhood diploma and became a certified family mediator.

With a strong vision to do more, she founded Supermom Entrepreneur, an online community and the successful conference "I Am the Boss" that ran for 5 years!

When a car accident nearly killed Carolyn and her two daughters, she realized this was her "wake-up call" to do even more. Her burning desire to help other professionals overcome their challenges and get clear on their visions and goals, led her to create the highly successful executive coaching, training and speaking business she owns today.

In her highly sought after keynotes, workshops and programs, Carolyn shares her story, insights and expertise in clearing the clutter to make a path for your true vision and roadmap to success.
